

INVITATION TO TENDER Closed User Group Services

The Firearm Licensing Authority invites tenders from Suitably qualified Telecommunication Providers for the Provision of Closed User Group (CUG) Services.

SCOPE OF WORK

The Closed User Group (CUG) service utilized by the Firearm Licensing Authority (FLA) can be categorized according to the need of the individual user. Some user required basic handsets supporting voice and short messages service (SMS) only, while others require advance handsets, which support integration with FLA application such as email services and online platforms.

The FLA is very keen on ensuring confidentiality and integrity of our systems and information that will be accessible by these mobile devices. Therefore, the ability to secure CUG services of high standards with proper security features is imperative.

Companies responding to the tenders should:

- Submit a valid Public Procurement Commission (PPC) Certificate in the category; **telecommunication services, telecommunication supplies, information technology services;**
- Present a valid Tax Compliance Certificate (TCC)/Letter (TCL);
 - Evidence of after sales services
 - Completed statement of compliance
